There was a lot of ink that Bono was the beneficiary of much of the advertising, instead of the companies just donating the \$100 million spent in RED marketing directly to those who need it. I appreciate the work of Bono and Bobby Shriver (who co-created RED). Then, if the capital is returned, maybe thatindividual can donate some money to charity. People who pay money to a company or invest in a company's shareholders' equity expect that if the busine SS succeeded that their funds will be returned in a form or Ano Ther. Page 6 Loading other articles please wait ... superficially the idea of donating money from a purchase to a company seems quite harmless. And providing money or treatments for Africans who suffer from AIDS really save lives of life. The advertising age has except with the actual gift compared to the general marketing effort required to make red a recognizable brand. But I wouldn't expect retailers like the gap to simply give money. Order by Best Match Trending Last Layout HA" is fun How to give controversial control. Page 11 Loading other items Wait for ...
